

AL NAHDA NATIONAL SCHOOL FOR GIRLS

Environment, Health and Safety (EHS) Policy

We recognize our responsibilities in shaping the values of future generations and aim to ensure our sustainability as a school through proactive leadership in the protection of students, staff and community, health and safety as well as the preservation of our surrounding environment. Therefore we are committed to:

- Promoting a culture of responsibility and accountability toward protection of the environment and wellbeing of all within the learning community.
- Proactively minimizing environment foot prints, health and safety impacts, hazards and risks arising from our daily school activities.
- Promoting awareness and encouraging participation through effective communication and consultation with staff, students and community.
- Providing on-going training in for all concerning environment, health and safety issues.
- Preventing injury, ill health and environmental pollution.
- Enhancing the health and wellbeing of our staff and students.
- Complying with all relevant ADEC, Abu Dhabi Environmental Agency and ANNS EHS legislation.
- Providing adequate resources to maintain a sustainable, healthy and safe environment.
- Preserving and improving the cultural, natural and built environment in our school.
- Achieving continual improvement of our EHS performance.

This policy applies to all school employees, students, parents, community partner and visitors and is readily accessible to all interested stakeholders.
